

Christian Estate Planning

Is Taking Care of Your Family!

What does it mean to be a “living sacrifice” as Paul exhorts us to be in Romans 12: 1? Does it not suggest conducting our lives and our plans in such a way that we serve God and others in all we do, in all we plan?

With this Scriptural guidance, let’s plan to make a difference for our church, our schools and our missions.

In view of God’s mercy in Christ let us ask ourselves...

- How can I best plan to remember my spouse and/or children and the Lord in my “tax-wise” estate plans?
- Have I remembered the Lord’s will in my estate plans?
- What planning tools work the best for my situation?
- What ministries are dear to my Savior and to us?
